CLASS DESCRIPTIONS

BALLROOM DANCE

Step into the world of ballroom – no partner required! Learn the basics of styles such as waltz, foxtrot, and rumba while building confidence, rhythm, and poise. This class is fun and welcoming, making it easy to move at your own pace and is ideal for anyone wanting to try something new.

DRAWING STUDIO

Whether you are a beginner or a pro, Drawing Studio is a space where participants can learn to refine their drawing technique through composition, shading, texture, and more. Paper, pens, and pencils are provided and all skill sets are welcome. Come draw with us and bring home art you'll be proud of!

BOLLYWOOD DANCE

This fun class encourages participants to explore the wide range of dance styles used in Bollywood such as Garba, Dandiya, and Bhangra. Not only will participants get to dance and express themselves in a meaningful art form, but they will also learn about the history and culture of Bollywood in India, and how the dance styles differ from region to region.

PHOTOGRAPHY

Bring any camera you would like, even if its as simple as the one on your phone, and learn how to make dynamic and beautiful photographic works of art. This class will teach about lighting techniques, the settings on a camera, use of space and placement, and more! Perfect to know how to take great family photos, make posts online, or for your personal collection.
