Southeast Ventura County YMCA

2025-26 ANNUAL REPORT

This Is Your Y

As I begin my first year as Board Chair, I'm honored to be part of an organization that brings people together and creates meaningful opportunities for individuals and families across our community. I'm excited for what's ahead as we continue to strengthen our programs, expand our impact and ensure the YMCA remains a place where everyone can connect, grow and thrive.

-Jason Amoroso, Board Chair

A MESSAGE FROM OUR PRESIDENT/CEO & BOARD CHAIR RONNIE STONE & JASON AMOROSO

Dear YMCA Friends and Family,

Thank you for your continued support of the Southeast Ventura County YMCA. Your generosity fuels our mission every day and helps ensure that the Y remains a vital place where everyone in our community is welcome, connected and empowered to engage, grow and thrive.

Because of you, our Y reflects the vibrant diversity of Southeast Ventura County. Our members and program participants represent all ages, backgrounds and abilities, and we are stronger because of it.

We believe everyone deserves the opportunity to belong, contribute and reach their full potential. Every day, we work to break down barriers, create meaningful connections, find common ground and build healthier, more vibrant communities where everyone can flourish.

The 2025–26 fiscal year was an exciting year of growth and impact. We expanded programs and services, reached more youth, teens, adults and seniors, and strengthened partnerships with residents, businesses and public institutions to address some of our region's most pressing needs.

With the incredible support of our donors, volunteers, members and community partners, 2025–26 was a banner year for the Southeast Ventura County YMCA. We are proud to share our Annual Report with you and invite you to take a closer look at the people, programs and partnerships that made this impact possible.

Thank you for believing in our mission, investing in our community and helping us create opportunities for everyone to belong, connect and thrive.

With gratitude,

Ronnie Stone

SOUTHEAST VENTURA COUNTY YMCA
NO-COST IMPACT PROGRAMS

Our Southeast Ventura County YMCA Impact Programs respond to the evolving needs of our community by meeting individuals and families where they are. Through accessible programs and trusted partnerships, we create pathways to stability, growth and long-term well-being. These programs are made possible thanks to the support of our community partners, including Simi Valley Unified School District and Moorpark Unified School District.

FINANCIAL ASSISTANCE

We believe everyone should have access to the Y and the programs and services that help individuals and families learn, grow and thrive. Through financial assistance, we help ensure that cost is not a barrier for those who want to participate in YMCA programs, services and membership.

401 Families Received Financial Assistance
$204,640 Financial Assistance Awarded

FIND MY GENIUS

Find My Genius helps children in our community reach their full potential through academic support, enrichment and meaningful opportunities to learn and grow. Our program provides academic instruction, healthy meals, physical activity and enrichment opportunities while supporting the individual needs of each scholar.

During the 2025–2026 school year, the YMCA served children through both summer and afterschool programming, helping students strengthen their academic skills, build confidence and stay engaged in learning.

230 Summer Scholars Served
690 Afterschool Scholars Served

SAFETY AROUND WATER

Drowning prevention remains an important priority for the Southeast Ventura County YMCA. Through Safety Around Water, children learn essential water safety skills that can help them feel more confident and prepared in and around the water.

In partnership with Simi Valley Unified School District, our Safety Around Water program provides water safety education to third-grade students and other youth in our community. Through these no-cost opportunities, we are helping more children gain potentially lifesaving skills while experiencing the health and recreational benefits of swimming.

1,028 Youth Served

The programs and opportunities offered by the YMCA are excellent; not all parents have the possibility to send their children and it is incredible that the YMCA can offer a free program that all children should have for safety!
Many thanks to the YMCA and those who support to make this possible! **–Garcia Family**

YOUTH DEVELOPMENT
A PLACE TO BELONG. A PLACE TO GROW.

Every child deserves a place where they feel welcomed, supported and valued. At the Southeast Ventura County YMCA, we create spaces where kids can be themselves, build meaningful relationships and discover what they are capable of.

Find their place. From afterschool care and summer camp to sports and aquatics, the Y gives children opportunities to try new things, make friends and feel part of something bigger.

Build confidence. With encouragement from caring staff and positive role models, kids develop new skills, overcome challenges and gain the confidence to keep moving forward.

Belong at the Y. No matter where a child starts, we want them to know there is a place for them here. Through accessible programs and experiences, we help ensure more children have the opportunity to participate, connect and thrive.

YOUTH DEVELOPMENT
ENRICHMENT PROGRAMS

At the Southeast Ventura County YMCA, young people have opportunities to explore new interests, take on new challenges and build lasting connections. From sports and Adventure Guides to teen leadership and civic engagement, our programs create experiences that help youth develop confidence, discover their strengths and find a community where they belong.

Being in Youth and Government, specifically going to Sacramento and seeing our voices having an impact and being heard was really influential. It showed me that my voice does truly matter and this program has influenced me to seek out leadership positions and to have the opportunity for my voice to be heard, because I know now from Y&G that my voice and opinion matter. **–Ben**

Anticipated Grand Reopening

A NEW CHAPTER FOR THE SIMI VALLEY FAMILY YMCA
The Simi Valley Family YMCA is entering an exciting new chapter as site preparation begins for our modernized and expanded facility.

With participation having doubled since 2001, the expansion will create more opportunities for children, families, adults and older adults to connect, grow and thrive. Once complete, we expect to serve more than 3,000 families annually.

Thanks to the generosity of 363 donors, we have raised $2,002,897 toward our $2.5 million Capital Campaign goal. Continued community support will help bring this vision to life and strengthen the Y's impact for generations to come.

Together, we are building more than a facility. We are expanding what is possible for our community.

HELP US REACH OUR $2.5 MILLION GOAL
Give today and be part of the future of the Simi Valley Family YMCA.
