CLASS POLICIES AND DESCRIPTIONS

Youth Enrichment Policies

- Late Policy: If you arrive more than 5 minutes after the start of any class, you will not be permitted to take it.
- For our 3–5 year old classes, parents/guardians must remain outside of the classroom during class time. This ensures easy access if a parent/guardian is needed. If your child is in a 6–11 year old class, you are welcome to go anywhere within the facility.
- Children are allowed to bring a water bottle for class. No other belongings will be permitted into the class location.
- Children 6 years and younger must be accompanied to the restrooms by a parent.
- Parents are not allowed to leave the facility while the child is in class. They must stay the entirety of the class time and be available if their children need assistance.
- Children may not be left unattended between classes.
- Children must wear closed-toe shoes or class-specific shoes (ex. ballet shoes).
